

RESPIRE CARE

Provides a regular break from the stress that many families experience.

Respite Care has been clinically proven to help families reach their service plan goals.

OUR SERVICE PRINCIPLES

Zarephath believes collaboration with the child and family team is imperative to creating functional outcomes.

Zarephath fosters community enrichment and engagement, truly integrating the family into the community, promoting independence, self-sufficiency and lasting natural supports.

Zarephath utilizes Best Practices and evidence-based programs that are delivered in a culturally relevant manner.

ZAREPHATH

RESPIRE CARE SERVICES

Zarephath's ultimate goal is to create lasting health, stability and independence for the families we serve.

PLANNED RESPITE

Brings down stress levels in the home and helps maintain the child's community-based placement.

IMMEDIATE UNPLANNED RESPITE

Provides families and case workers a temporary community-based placement option to face the unexpected.

WHAT IS RESPITE CARE?

Respite Care is a temporary community based placement for children that is designed to bring regular relief to the entire family.

WHO IS ELIGIBLE?

The Zarephath respite program is available to all Title XIX & XXI children and families whose assessment and service plan indicates respite care services as a need to address emotional and behavioral concerns.

(Based on clinical need determined by the Child and Family Team)

TO GET STARTED:

Talk with your Case Manager and Child & Family Team to determine if Zarephath Respite Care Services are an appropriate choice for your child and family.

ZAREPHATH RESPITE OFFERS

- Safety First
